MVSC-220/260/300/460 Series Pilot Body, Push Button, Rear Cover, Terminal Assy, Coil Nut, and Coil Assy Color Change Notification

Thank you for your continuous support on Mindman product for these years. We would like to do color changing on pilot body, push button, rear cover, terminal assy, coil nut, and coil assy for MVSC-220/260/300/460 series solenoid valve.

Sorry for any inconvenience may occur.

1. Product Series

MVSC-220/260/300/460.

2. Design Change Reason

To strengthen the company identification and unify the brand image.

3. Design Change

Color changing: takes MVSC-220-4E1 for example. (Notes: there are no change on product specification and size)

A. Pilot Body: color changes from black to gray cold.

Push Button: color changes from white to sky blue.

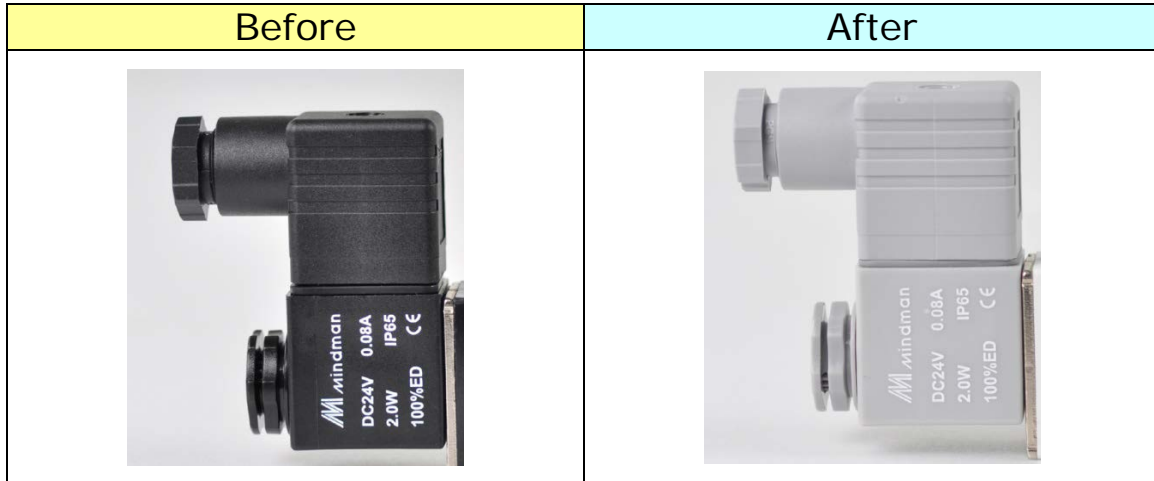

Before	After
	

B. Rear Cover: color changes from black to white.

Before	After
	

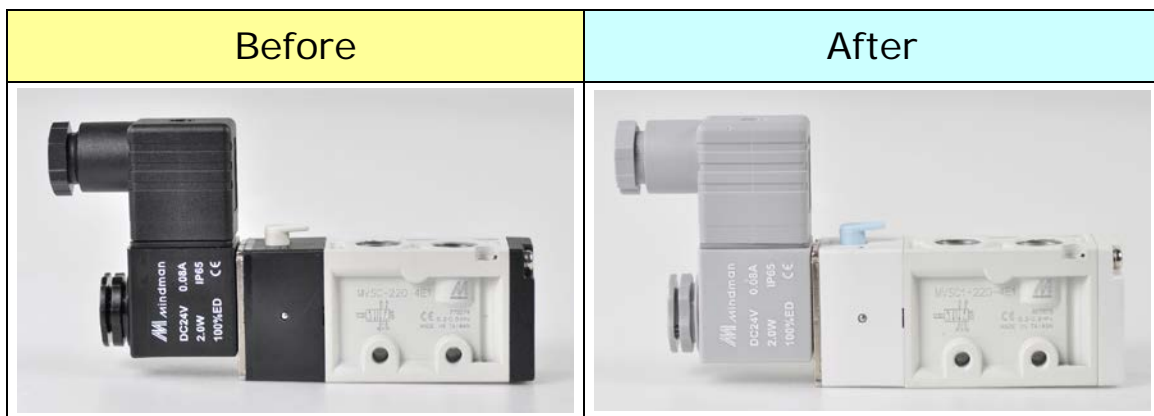

C. Coil Nut、Coil Assy, and Terminal Assy: color changes from black to gray cold.

Notes: Terminal assy with explosion protection type and Coil assy with lead wire type are keeping black in color.

D. Exterior Change

4. Effective Date

Effective on January 2016.
