MAIR300 Series adds a stainless steel filter mesh at the inlet

Design Change Notification

Thank you for supporting Mindman products. The design change will apply to the following models. Sorry for any inconvenience may occur. Please kindly understand and cooperate.

1. Model series
MAIR300 series
2. Design change reason
To prevent the abnormal performance from the sealant or pipeline impurities entering, MAIR300 series will add a stainless filter mesh at air inlet.

3. Change descriptions

4. Effective date
It will not affect the performance and usage, and will replace sequentially.
5. If there is any questions, please contact our sales department.
