MBS/MCS/MBD Series Automation Control Systems

Catalog Design Change Notification

Thank you for supporting Mindman products. The design change will apply to the following models. Sorry for any inconvenience may occur. Please kindly understand and cooperate.

1. Model series

MBS-*-T、MCS-*-T、MBD-*-T series

2. Design change reason

- a. We will change the sequence of ordering number to avoid confusion with the accessories "plug" of MBS series solenoid.
- b. MBS-*-T and MCS-*-T series cancel the accessory Y-plug : #2 Wires.
Because it cannot be used with a timer.
- c. MBS-*-T and MCS-*-T series add a new accessory : Y-type strainer.
- d. Add the Y-type strainer installation schematic.

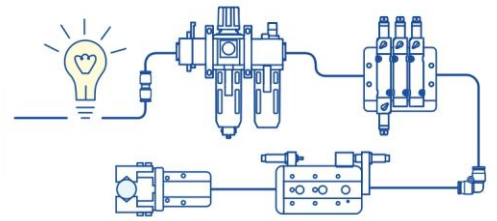

3. Change descriptions

See next page.

4. Effective date

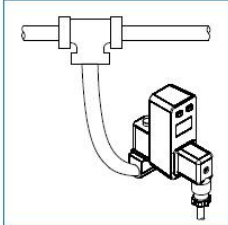

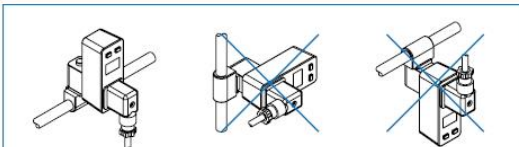

Do not affect the usage, and will change immediately.

5. If there is any questions, please contact our sales department.
