MRT* Rotary Actuator Design Change Notification

Thank you for supporting Mindman products.

MRT* Rotary actuator will have following change.

1. Model series

MRT * rotary actuator.

2. Objective

For product optimization, the shape of cylinder cap and cylinder tube will be modified. Also, the sensor switch will change to embed design instead of grip design.

3. Design change

Before	After
Profile 	
Sensor 	

4. Effective Date

The change of Ø40 and Ø63 will be effective from Dec. 28th, 2018.
Ø80 will be changed from July 1st, 2019

5. Other
