MCJA MCJQ MCJQ2 MCKJQ MCGM Series Flat Washers Are No Longer Included

Thank you for continued support in Mindman products. The design change will apply to the following models, we apologize for any potential inconvenience may occur and thank you for your kind understanding.

1. Model series

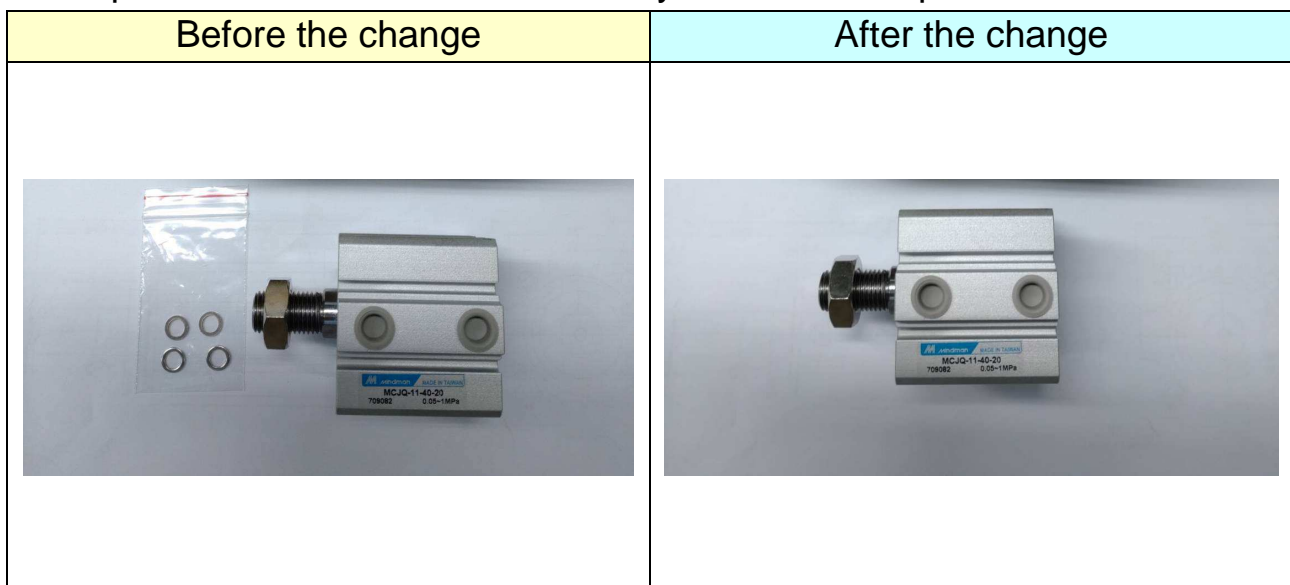

MCJA/MCJQ/MCJQ2/MCKJQ/MCGM

2. Design change reason

Some of the customers does not require the attached flat washers. In response to environmental protection, the flat washers are no longer included but can still be ordered if needed.

3. Change descriptions

The photos below use MCJQ series cylinder as example.

4. Effective date

Dec., 2022. The cylinders in stock are with flat washers until stock is depleted.

5. If there is any questions, please contact our sales department.
