MAFR302 Series Air unit

Appearance Difference Notification

Thank you for supporting Mindman products. The design change will apply to the following models. Sorry for any inconvenience may occur. Please kindly understand and cooperate.

1. Model Series: **MAFR302**

2. Reasons for the Change:

Due to the influence of the production process, there are appearance differences between the position of the ejector pin and the direction of the arrow.

3. Descriptions: the red circles indicate the ejector pin marks.

	Before	After
Front (With pressure gauge)		
Back		

4. Implementation Date:

The change will take place sequentially from now on. Please submit while special reasons are considered.

5. If there has any question, please contact our sales department.
